

THE JUNETEENTH FLAG

THE COLORS

The red, white and blue colors represent the American flag, a reminder that slaves and their descendants were and are Americans.

THE ARC

The curve that extends across the width of the flag represents a new horizon: the opportunities and promise that lay ahead for Black Americans.

THE STAR

The white star in the center represents both Texas (the Lone Star State), as well as the freedom of African Americans in all 50 states.

THE BURST

The bursting outline around the star is inspired by a nova, a term that astronomers use to mean a new star. This represents a new beginning for African Americans.

THE DATE

The date marks the day enslaved African Americans in Galveston, Texas learned of their freedom when Union troops arrived to announce the Emancipation Proclamation.
