My name is David Fetto and I am running for AWC board position representing District 2. My journey has been a tapestry woven with different threads of service and commitment. Before my time as a Councilmember for the City of West Richland, I delved into the world of financial services, leveraging my skills as a former CPA. This experience taught me the intricacies of finance and instilled in me a deep understanding of fiscal responsibility.

Transitioning from the financial sector to public service felt like a natural progression for me. Since I took office in 2018, I've been dedicated to representing the interests of my constituents with integrity and passion. My background as a US Navy veteran has instilled in me a strong sense of duty and sacrifice, values that guide me in my role as a leader.

One of the advantages of my career as a home loan officer is the flexibility it offers. This allows me to balance the demands of governance while remaining actively involved in community initiatives and engagements. Whether it's advocating for local causes or lending a helping hand to those in need, I'm committed to making a positive impact wherever I can.

Ultimately, my journey is driven by a steadfast belief in the power of service. Whether in the military, financial sector, or city council chambers, I strive to embody the values of integrity, empathy, and dedication, working tirelessly to build a stronger, more inclusive community for all.
