Opposed

SB 5040	Extends interest arbitration for collective bargaining for law enforcement officers to cities and towns under 2,500 in population creating new and administrative requirements and increases costs.	Do not advance - Awaiting floor action
SB 5041	Allows striking workers to collect unemployment insurance. Requires a final judgment declaring a strike illegal before declining or requiring repayment of benefits paid to striking employees. Public employees are statutorily prohibited from striking so the bill has the potential to leave taxpayers funding benefits paid during an illegal strike without taking costly legal action.	Do not advance - Awaiting floor action
SB 5148	Housing Accountability Act. Senate floor amendment made the bill more problematic. We are seeking changes to re-create the incentive-based approach to state pre-approval of development regulations.	Do not advance; Awaiting floor action
SB 5184	Significantly reduces local authority to set on-site parking requirements for cities over 30,000 in population, down to no parking requirements at all for several uses.	Do not advance - Awaiting floor action
SB 5503	Revises PERC procedures. AWC opposes the provision in Section 4 that would make it impossible to enter into agreements to settle grievance cases. An amendment to address the most significant concerns but was rejected.	Do not advance - Awaiting floor action
SB 5804	Effectively diverts the funding from the Public Works Assistance Account (PWAA) out of the program and uses it instead to pay for bonds to fulfill the state's obligation to address state-owned fish blocking culverts.	Do not advance – Awaiting floor action
